Report of Principal and School

The A. C. Flora School Improvement Council is very proud of the achievements that students have made throughout the 2013-2014 school year. Students have risen to the challenge of taking more rigorous courses and have excelled as a result. This year, Flora's AP participation rate is at an all-time high. We are giving a total of 704 AP exams to 475 AP students – this is 36% of the student body. The Math Team continues to win state, region and national competitions. As of March 2014, Flora is proud to announce one Presidential Scholar, three National Merit Semi-finalists, 20 Palmetto Fellows, 76 Life Scholarships, 80 Hope Scholarships and over \$4,750,790.00 in scholarships! We anticipate that students will earn over \$20,000,000.00 in scholarships. Several programs aimed at supporting students were expanded this year. Falcons in Flight added a Freshman Academy program to raise on-time graduation rates and the Edgenuity program has been expanded to offer credit recovery and credit accrual so that students stay on track for graduation.

In addition to academics, Flora athletes have excelled on the field and court. The Flora's Boys basketball team won the SC AAA Championship title which had not been done since 1986. The Girls Tennis and Golf teams both won Regional Championships, and the Boys and Girls Cross Country teams won the District Championship with the individual South Carolina AAA state championship winner in the girl's category. For the 8th year in a row, the Flora Athletic Department won the H.B. Rhame award as the outstanding Richland One sports program. Additionally, the JROTC Drill Team won the Superintendent's Trophy. The Fine Arts department showcased vast student talent this year through Theatre, Dance and Choral performances. Students in Honors Theatre have been invited to the prestigious Fringe Festival in Scotland in 2015. One vocal student was selected to perform at Carnegie Hall and another student won 3rd place in the Finals of "Best Singer in the Midlands". The Jazz Band and Orchestra received Superior ratings in competitions for the first time in Flora history. Five IB Juniors have planned the 3rd annual TEDx Youth conference—the only one in the state of SC.

The number of National Board certified teacher has risen to 25. Flora's Strength Coach was named the AAA Strength Coach of the Year for the 2nd year in a row. The Girls Tennis & Girls Golf coaches were both chosen as Region Coaches of the Year. A. C. Flora's Teacher of the Year is a Finalist for the Richland One Teacher of the Year 2014-2015!

Your School Improvement Council is committed to assuring every A. C. Flora student has the appropriate resources and support to not only thrive but to excel in today's competitive academic environment.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
